Environment Policy

Mission Statement

Cantoo recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environment impact and continually improving our environmental performance as an integral part of our business strategy and operating methods, with regular review points. We encourage artists, participants, suppliers and other stakeholder to do the same.

Policy Aims

We endeavour to:

Comply with and exceed all relevant regularly requirements
Continually improve and monitor environmental impacts
Incorporate environmental factors into business decisions
Increase employee awareness and training

Paper

We will minimise the use of paper in the office.
We will seek to buy recycled and recyclable paper products.
We will reuse and recycle paper where possible.

Energy and Water

We will seek to reduce the amount of energy used as much as possible.
Lights and electrical equipment will be switched off when not in use
Heating and be adjusted with energy consumption in mind
The energy consumption and efficiency of new products will be taking into account when purchasing.

Office Supplies

We will seek to buy more environmentally friendly and efficient products

Transportation

We will make additional efforts to accommodate the needs of this using public transport or bicycles.

Communicate our environmental commitment to clients, customers and the public and encourage them to support it

Strive to continually improve our environmental performance and minimise the social impact and damage of activities by periodically reviewing our environmental policy in light of our current and planned future activities

Monitoring and Improvement

We will only use licensed and appropriate organisations to dispose of waste
